You made original contact with me using email address allan@afabdistribution.com which may cause you to question my identity so pleased be informed that at my bank the signature card states that I am **also known as Frederick Allan L Dashner** and my property is listed in the name of Dashner Allan Frederick. The Allan part of my name is a result as a dispute between my parents over my name. To make a long story short, my father refused to have a son with a girls name like Lorain, so he called me Allan. I grew up as Allan and most people including all of my business associates know me as Allan F. Dashner.

To clear up the fact that you are dealing with the right person, my legal identity is under the name of **Frederick Lorain Dashner** which should be used on all legal documents. Use Email address: frederick@afabdistribution.com when providing contact information to all other party's to this transaction.

I have provided the following documents which are of public record and do confirm my identity and the fact that when possible I avoid including **Lorain** as part of my name, and if you would like to see my 3 utility bills in the name of Allan Dashner, I have them available:
