INSURANCE

2013 Pre-Departure Protection Waiver With the purchase of the Cancellation and Change Waiver, passengers may cancel and/or change either the land and/or air portion of their package. Some hotel room categories (non-refundable/advance purchase) and some airfares may be non-refundable and are not covered by this Waiver. Optional activities (transfers, sight-seeing, theme park passes, rail passes, etc) are non-refundable even when the waiver is purchased. In addition, some airfares may be available only in connection with land arrangements and those requirements are not covered by this Waiver. Administrative Service Charges (ASC) on certain airfares may still be applicable even if waiver is purchased.

If one traveler purchases the Waiver, it is mandatory for all other travelers booked in the same reference number to purchase the Waiver. The Cancellation and Change Waiver may only be purchased when the initial reservation is made.

Cancel - the waiver covers cancellations, for any reason, up until scheduled departure time. The waiver also covers revision fees. Restrictions may apply as outlined in land revisions of terms and conditions. When making your reservation on-line, you will be given the option to add this valuable protection in the booking process. Please read the terms and conditions associated with the package you are purchasing before selecting the Cancellation and Change Waiver option and completing your reservation. When two or more parties travel together and stay in the same room, a cancellation will result in a refund on air and land only if the room is cancelled completely. If one person still stays in the room then there is no refund of the land cost to the canceling party. Cancellation should be advised as early as possible.

Change - changes resulting in an increase to the air or land price will be at the expense of the passenger. Changes from one tour destination to an alternative tour destination or adding another tour to an existing itinerary are subject to the rules/restrictions of the new tour.

Reminder: Some hotel room categories, activities and airfares remain non-refundable even with the purchase of the waiver.

MILES EARNED:

Miles Earned: 0
 Product Code: 47
 Voucher Print Date: Not Printed

TERMS & CONDITIONS**Land (Hotel/Activity) and Airfare Guarantee**

- Land and airfare prices are guaranteed when paid at time of booking. Rules and fees for canceling and revising airfares vary depending upon the type of airfare purchased; non-refundable air remains non-refundable, even if the Pre-Departure Protection waiver is purchased. For example, the most restrictive airfare is non-refundable if canceled. However, the value of the ticket may be applied toward the purchase of a future ticket within one year of the initial ticketing date on American Airlines/American Eagle, and travel must occur within one year of the initial ticketing date, with the minimum payment of \$200 USD fee per ticket and other significant restrictions.
- In the example above, if changes are made to this airfare after tickets are issued and before travel has begun, a minimum fee of \$200 USD will apply as will all other fare rules including advance purchase and minimum stay requirements. No changes are allowed on this type of airfare once travel has begun.
- Certain discounted airfares do not allow upgrades to another class of service. Please verify at the time of booking.
- Certain discounted airfares do not qualify to earn AAdvantage miles. If you have redeemed AAdvantage miles to purchase your packaged travel (air & land components), you will not earn AAdvantage miles on that travel. Tickets between North America and Latin America booked in O for travel prior to May 1, 2012 are not eligible for mileage credit. American Airlines reserves the right to change the eligible fare classes at any time without notice.
- Many hotels offer reduced rates when packaged with air. Cancelling air from a package is not allowed and will result in a total cancellation of the package.
- For complete details on the revision or cancellation policy of your specific airfare, contact American Airlines Vacations at 800-489-4810.
- Car rates do not include taxes, service charges or other additional fees. Renters must be 25 years of age and have a valid driver's license, major credit card, and good driving record. Drivers must present valid driver's license. Charges are billed at time of rental and subject to change, please verify local rental requirements directly with the car rental company

prior to travel.

- Note: Some hotels require that one guest be at least 21 years of age to check in. Some hotels may have a resort fee, incidental fees, parking fees and/or city taxes that are not included in your package price. These fees will be payable directly to the hotel. In addition, your preferred bed size or type is based on availability and is not guaranteed. Credit earned from any other loyalty, recognition or rewards program is at the discretion of the hotel property or car rental company.

Land Revisions

- A revision is defined as changes to the same hotel, changes to the rental car, or changes to the optional activities.
- A revision fee of \$30 USD per change will be charged after payment is made if the Pre-Departure Protection Waiver is not purchased.
- Certain promotional tours, non-refundable/advance purchase room categories and non refundable optional activities (which are identified in the booking process) do not allow any revisions once payment has been made.
- Revisions are not permitted within seven days of departure or for travel dates departing December 17th - January 3rd.

Land Cancellations

- A cancellation is defined as a complete cancellation of the vacation package, changes to origin or destination cities, or changing from the initially booked hotel to a different hotel.
- If cancellations are made five days or more prior to departure, there is a \$100 USD fee per person except for non-refundable/advance purchase room categories and non-refundable optional activities which are identified during the booking process and remain non-refundable.
- If cancellations are made four days or less prior to departure or during holiday travel December 17-January 3 or not canceled and no-showed, there is a fee of 100% of the total land price and any applicable air penalties.
- All refund requests must be submitted within 45 days of travel date and unused features are not refundable.

Cancellation and Change Waiver (Pre-Departure Protection)

- The Pre-Departure Protection allows you to revise your booking at any time up until seven days prior to departure (no revisions are possible within seven days), or to cancel your booking entirely at any time, prior to your scheduled departure time, without incurring any revision or cancellation fees. Some hotel room categories and airfares may be non-refundable and are not covered by the waiver. Optional activities (such as transfers, sight-seeing, theme park passes and rail passes) are non-refundable even when the waiver is purchased. In addition, some airfares may be available only in connection with land arrangements or may be offered on a non-refundable basis or subject to other fare rules and those requirements are not covered by the waiver. Administrative Service Charges on certain airfares may still be applicable even if waiver is purchased.
- If one passenger purchases the Cancellation and Change Waiver, it is mandatory for all other passengers (adults and children) booked under the same reference number to purchase the waiver.
- The Cancellation and Change Waiver may only be purchased when the initial reservation is made.
- The following are non-refundable even with the purchase of waiver; non refundable/advance purchase room types and optional activities (such as transfers, sightseeing, theme park passes and rail passes).
- Blackout periods are December 17th- January 3rd.
